“Annual Holiday Party”

6:00pm: At approximately 6:00pm a festive group of chapter members and guests arrived at the “**Boiceville Inn**” * for the “**Annual Holiday Party**”, planned for that time and place.

It seemed like most everyone brought gifts for the gift exchange also planned, for which they received tickets to select a gift (other than their own) from the gift table.

At the beginning of the evening there was a good deal of cheerful mingling, roughly centered about the Hors d'oeuvres table.

In due course our **Chapter President “Mark Loete”** expressed thanks to the members* for their efforts during that past year in his usual eloquent manner. He then invited all to partake of the excellent buffet spread provided by the Boiceville Inn and served by their courteous staff.

As the dinning dwindled down, the tickets numbers for the exchange gifts were called, and gifts were selected by the corresponding ticket holders.

All in all, it seemed to be quite a **successful event**, enjoyed by all who attended!

Respectfully submitted,
Thom Frankel

***Special thanks to the Boiceville Inn and all who help organize the event!**
